

# 14<sup>th</sup> Workshop on the Physics of Dusty Plasmas

May 26-29, 2015

<http://psl.physics.auburn.edu/wdpd2015>

wdpd2015@gmail.com

The workshop is hosted by Auburn University, Alabama, USA and Wittenberg University, Ohio, USA.

## Program:

The workshop will address all aspects of dusty/complex plasma phenomena, incl.:

- ◆ Basic physics of dusty plasmas
- ◆ Astrophysical and atmospheric dusty plasmas
- ◆ Laboratory and microgravity dusty plasma experiments
- ◆ Magnetized dusty plasmas
- ◆ Theoretical and computational studies of dusty plasmas
- ◆ Dusty plasmas as model systems
- ◆ Applications of dusty plasmas in industry and research
- ◆ Analysis techniques + engineering

Early Registration: Mar 27<sup>th</sup>, 2015

Student: \$250

Others: \$450

Abstract submission: Feb 20<sup>th</sup>, 2015

Paper submission: Jul 31<sup>st</sup>, 2015

Accommodation:

Conference Hotel: [www.auhcc.com](http://www.auhcc.com)

Conference Rate: \$114+tax / night

Reservation Cutoff: April 26<sup>th</sup>, 2015

Travel:

Nearest Airports:

Atlanta, Georgia

Montgomery, Alabama

Birmingham, Alabama

Airport Shuttle:

Express85, Groome Transportation

Organizer:

Prof. Jeremiah Williams,  
Wittenberg University, Ohio (Chair)

Prof. Edward Thomas,

Prof. Uwe Konopka,  
Auburn University
